🚩 KEY ACHIEVEMENTS

- **Professional Experience**
  Your Achievement Successfully completed a Video Editing Masterclass using CapCut and ChatGPT AI and received a certificate.
  Successfully completed a network configuration and installation project including DHCP, DNS, and Active Directory setup.
  Assisted in creating and managing user accounts, groups, and folder permissions within a network environment.
  Contributed to the network cabling and infrastructure setup at the Federal Housing Corporation during internship.
  Helped in troubleshooting and maintaining LAN connectivity to ensure reliable communication between systems.
  Prepared detailed technical documentation for network design, configuration, and maintenance tasks.
  Recognized for strong teamwork, quick problem-solving, and commitment to delivering quality technical results.

- **Network Downtime Reduction**
  Reduced network downtime by 30% through critical infrastructure upgrades.

👤 SUMMARY

Motivated and detail-oriented soon-to-be Computer Science graduate with hands-on experience in networking, front-end web development, and problem-solving in computing systems. Proficient in HTML, CSS, JavaScript, and core computer science concepts, with a strong foundation in system troubleshooting and optimization. Passionate about leveraging technical skills to deliver efficient, innovative solutions and contribute to team success. Committed to continuous learning and professional growth in technology-driven environments.

👤 WORK HISTORY

Federal Housing Corporation

Addis Ababa, Ethiopia
06/2025 - 10/2025

Networking Administrator

Building Future House

- Reduced operational costs by {15%} by implementing efficient resource allocation strategies.
- Enhanced network reliability by managing upgrades across critical infrastructure nodes, reducing downtime by Federal Housing Corporation.
- Monitored and analyzed network performance data for systems, ensuring operational stability supporting over users daily.
- Improved data transmission efficiency by implementing advanced routing protocols across regional networks.
- Conducted security audits on network devices, mitigating critical vulnerabilities by applying enhanced cybersecurity measures.

Harbover Boats

Remote
04/2025 - 07/2025

Video Editor

Selling Futuristic Electric Boats

- Understood the director's artistic vision and maintained alignment with the vision throughout the editing process.
- Organized assets by collecting data from camera media, transcoding video and audio files, and managing file backups to the digital asset management system.
- Delivered edits with multiple camera angle choices, titles, graphics, audio, and special effects.
- Evaluated and selected scenes for pacing, entertainment value, and continuity; trimmed shots and edited content.
- Contributed new ideas and looked for ways to improve content editing and processes.
- Edited together video, audio, still imagery, and motion graphics for creative and informational multimedia projects.
- Created and reformatted content across various social media and digital platforms.

🎓 EDUCATION

**Addis Ababa,Ethiopia |
Expected Februry 2026**
Bachelor of Science – St Mary's
University | computer Science
2022 - Present

🚀 SKILLS

HTML · CSS · JavaScript ·
Network Troubleshooting ·
Routing Protocols · DNS ·
System Administration ·
Problem Solving · Teamwork ·
Attention to Detail ·
Time Management · Communication

🏅 CERTIFICATION

Alison
Video Editing Masterclass Leveraging
CapCut and ChatGPT AI

❤️ INTERESTS AND HOBBIES

- I'm passionate about working, learning new skills, and contributing to a team. I'm motivated, hardworking, and always ready to take on new challenges to improve myself and deliver my best.

- Drawing art:-I enjoy drawing and creating art, something I've loved since I was a kid. It helps me relax, express my creativity, and pay attention to small details.
